DEFINITION of 'Member of Household'

Household members are all the people you live with (excluding tenants with a written lease for fair market value) whether or not they are related to you.

For example, if you live in a house where you share the kitchen and bathroom with one or more persons, they are household members.

DEFINITION of Household Federal Adjusted Gross Income (FAGI)

The definition of Household FAGI, in effect since Oct. 4, 2011 as DC Law 19-165, is the following:

"Household adjusted gross income" means the adjusted gross income of all persons residing in a household, as determined by each person's federal income tax year ending immediately before the beginning of the real property tax year during which the deduction provided under subsection (b) of this section shall be applicable, excluding the adjusted gross income of any person who is a tenant by virtue of a written lease for fair market value.
